Conscious Discipline Building Resilient Classrooms Expanded & Updated Edition Dr. Becky A. Bailey
Conscious Discipline: Building Resilient Classrooms is the foundational book for Conscious Discipline. It revolutionizes the classroom approach to social-emotional learning by addressing the adult's skill set and internal states first, and then empowering the adult to teach and model these skills with children. Both research studies and individual testimonials show that Conscious Discipline simply works for transforming social-emotional skills, school climate, academics and home/school connections. Stop struggling with behaviors and standards, and start finding the joy in teaching again!
