Flight of Passage: A Memoir Rinker Buck

Writer Rinker Buck looks back more than 30 years to a summer when he and his brother, at ages 15 and 17 respectively, became the youngest duo to fly across America, from New Jersey to California. Having grown up in an aviation family, the two boys bought an old Piper Cub, restored it themselves, and set out on the grand journey. Buck is a great storyteller, and once you get airborne with the boys you find yourself absorbed in a story of adventure and family drama. And *Flight of Passage* is also an affecting look back to the summer of 1966, when the times seemed much less cynical and adventures much more enjoyable.
