Nineteen (Love by Numbers) (Volume 1) E S Carter

Your life can change in the blink of an eye. How you adapt to these changes is what defines you. Jake Fox is an aspiring actor who has found little success. He is also a typical, cliché, bad boy, who 'loves them and leaves them' without love ever coming into the equation. Emma Campbell is finding her way in life, struggling with memories from her past, an apathetic mother and the choices ahead of her. Can she keep focused on the light when life keeps surrounding her in darkness? Polar opposites, will love be the thread that binds them or will circumstances beyond their control, tear them apart? *Suitable for readers Age 18+ due to some disturbing scenes and sexual content*
