None of the Regular Rules Erin Downing

Sometimes, a few dares can change lives... The weekend before the start of senior year, Sophie Erickson and her best friends, Ella and Grace, discover a handwritten list of dares tucked away in the glove compartment of Sophie's beat-up old Toyota. But this isn't just any list; it's a dead girl's bucket list. Sophie's beloved aunt Suzy died as a teenager in a fatal fall, leaving Sophie with an overly cautious family, a few fading photographs, and a bucket of bolts that barely passes for a car. But now, Sophie has Suzy's list of the things she wanted to do in her last year of high school. Sophie can't help but wonder: What would happen if she tried to fulfill Suzy's last wishes, to live out the longed-for life of her aunt, her hero? As Sophie and her friends attempt to knock off the things on Suzy's list of dares, love blossoms in unexpected places and Sophie begins to feel that her life is finally coming together...when in fact, everything is slowly unraveling around her. When the truth about a long-held family secret threatens to shatter everything she believed to be true, Sophie is forced to question everything she knew about the life and people she believed in, and ultimately herself.

From reader reviews:

Peter Clark:

What do you think about book? It is just for students as they are still students or it for all people in the world, exactly what the best subject for that? Merely you can be answered for that problem above. Every person has diverse personality and hobby for every other. Don't to be forced someone or something that they don't would like do that. You must know how great and also important the book None of the Regular Rules. All type of book is it possible to see on many options. You can look for the internet solutions or other social media.

David Goodspeed:

As people who live in the modest era should be up-date about what going on or information even knowledge to make these people keep up with the era which can be always change and make progress. Some of you maybe will update themselves by studying books. It is a good choice for you personally but the problems coming to you actually is you don't know what kind you should start with. This None of the Regular Rules is our recommendation so you keep up with the world. Why, as this book serves what you want and wish in this era.

David Conover:

Information is provisions for people to get better life, information presently can get by anyone on everywhere. The information can be a knowledge or any news even an issue. What people must be consider whenever those information which is in the former life are hard to be find than now's taking seriously which one is appropriate to believe or which one the resource are convinced. If you have the unstable resource then you understand it as your main information you will have huge disadvantage for you. All those possibilities will not happen throughout you if you take None of the Regular Rules as the daily resource information.

Ethel Springer:

Do you have something that you want such as book? The guide lovers usually prefer to pick book like comic, limited story and the biggest some may be novel. Now, why not seeking None of the Regular Rules that give your fun preference will be satisfied through reading this book. Reading habit all over the world can be said as the opportunity for people to know world far better then how they react to the world. It can't be stated constantly that reading addiction only for the geeky man but for all of you who wants to end up being success person. So , for all you who want to start studying as your good habit, you can pick None of the Regular Rules become your own personal starter.
