A story filled with wisdom, gentle humor and the practical concerns necessary for a satisfying life. This Newbery Medal winner story is based on the true adventures of a family living on the vast prairie in the early years of the 20th century. The story begins when Anna and Caleb, missing their mother who died, wish for another woman to make their father laugh again. Sarah responds to an ad, stating she will come by train, wearing a yellow bonnet and that she is plain and tall. And into their lives comes Sarah, with her own needful loneliness and searching, to help them create a whole family. But life on the endless prairie can be hard and unforgiving, taking all a person's strength and courage just to survive.
