True Blue David Baldacci

A mysterious high-profile homicide in the nation's capital collides with the dark side of national security in David Baldacci's new, heart-stopping thriller.

TRUE BLUE

Mason "Mace" Perry was a firebrand cop on the D.C. police force until she was kidnapped and framed for a crime. She lost everything-her badge, her career, her freedom-and spent two years in prison. Now she's back on the outside and focused on one mission: to be a cop once more. Her only shot to be a true blue again is to solve a major case on her own, and prove she has the right to wear the uniform. But even with her police chief sister on her side, she has to work in the shadows: A vindictive U.S. attorney is looking for any reason to send Mace back behind bars. Then Roy Kingman enters her life.

Roy is a young lawyer who aided the poor until he took a high-paying job at a law firm in Washington. Mace and Roy meet after he discovers the dead body of a female partner at the firm. As they investigate the death, they start uncovering surprising secrets from both the private and public world of the nation's capital.

Soon, what began as a fairly routine homicide takes a terrifying and unexpected turn-into something complex, diabolical, and possibly lethal.

From reader reviews:

Catrina Hall:

Have you spare time for the day? What do you do when you have far more or little spare time? Yep, you can choose the suitable activity to get spend your time. Any person spent their very own spare time to take a walk, shopping, or went to typically the Mall. How about open or perhaps read a book eligible True Blue? Maybe it is for being best activity for you. You know beside you can spend your time with your favorite's book, you can cleverer than before. Do you agree with its opinion or you have different opinion?

Tamika Sheppard:

Here thing why this kind of True Blue are different and trusted to be yours. First of all examining a book is good however it depends in the content from it which is the content is as delightful as food or not. True Blue giving you information deeper and in different ways, you can find any publication out there but there is no guide that similar with True Blue. It gives you thrill reading through journey, its open up your current eyes about the thing this happened in the world which is maybe can be happened around you. You can actually bring everywhere like in playground, café, or even in your approach home by train. In case you are having difficulties in bringing the branded book maybe the form of True Blue in e-book can be your substitute.

Annie Adcock:

Information is provisions for those to get better life, information today can get by anyone with everywhere. The information can be a expertise or any news even a concern. What people must be consider any time those information which is inside the former life are difficult to be find than now could be taking seriously which one would work to believe or which one the resource are convinced. If you find the unstable resource then you understand it as your main information you will see huge disadvantage for you. All of those possibilities will not happen in you if you take True Blue as the daily resource information.

Alicia Romero:

In this era globalization it is important to someone to receive information. The information will make a professional understand the condition of the world. The health of the world makes the information much easier to share. You can find a lot of recommendations to get information example: internet, newspapers, book, and soon. You will see that now, a lot of publisher that print many kinds of book. The actual book that recommended for you is True Blue this guide consist a lot of the information from the condition of this world now. This specific book was represented how does the world has grown up. The words styles that writer value to explain it is easy to understand. Typically the writer made some exploration when he makes this book. This is why this book suitable all of you.
