Dickens the Novelist

F. R. Leavis, Q. D. Leavis

Dickens the Novelist F. R. Leavis, Q. D. Leavis

In *The Great Tradition*, published in 1948, F. R. Leavis seemed to rate the work of Charles Dickens - with the exception of *Hard Times* - as lacking the seriousness and formal control of the true masters of English fiction. By 1970, when *Dickens the Novelist* was published on the first centenary of the writer's death, Leavis and his lifelong collaborator Q. D. (Queenie) Leavis, had changed their minds. 'Our purpose', they wrote, 'is to enforce as unanswerably as possible the conviction that Dickens was one of the greatest of creative writers ...' In seven typically robust and uncompromising chapters, the Leavises grapple with the evaluation of a writer who was then still open to dismissal as a mere entertainer, a caricaturist not worthy of discussion in the same breath as Henry James. Q. D. Leavis shows, for example, how deeply influential *David Copperfield* was on the work of Tolstoy, and explores the symbolic richness of the nightmare world of *Bleak House*. F. R. Leavis reprints his famous essay on *Hard Times*, with its moral critique of utilitarianism, and reveals the imaginative influence of Blake on *Little Dorrit*. Q. D. Leavis contributes a pathbreaking chapter on the importance of Dickens's illustrators to the effect of his work.

The information and the knowledge you may got here is fresh from the oven so don't become worry if you feel like an old people live in narrow small town. It is good thing to have Dickens the Novelist because this book offers for you readable information. Do you sometimes have book but you seldom get what it's exactly about. Oh come on, that wil happen if you have this with your hand. The Enjoyable option here cannot be questionable, just like treasuring beautiful island. So do you still want to miss that? Find this book in addition to read it from at this point!

Neil Nilsson:

As a university student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Dickens the Novelist can make you sense more interested to read.
