## **Extraordinary Black Missourians: Pioneers, Leaders, Performers, Athletes, and Other Notables Who've Made History** John A. Wright Sr. and Sylvia A. Wright

African Americans have been a part of Missouri from its territorial days to the present, and *Extraordinary Black Missourians* describes more than 100 pioneers, educators, civil rights activists, scientists, entertainers, athletes, journalists, authors, soldiers, and attorneys who have lived in the state for part or all of their lives. Josephine Baker, Lloyd Gaines, Langston Hughes, Annie Malone, Dred Scott, Roy Wilkins, and others featured in the book are representative of individuals who have contributed to the African American legacy of Missouri. They set records, made discoveries, received international acclaim and awards, as well as led in the civil rights movement by breaking down racial barriers. These accomplishments, and others, have played a major role in shaping the history and culture of the state and nation. *Extraordinary Black Missourians* attempts to put a face on these individuals and tells of their joys, failures, hardships, and triumphs over sometimes insurmountable odds.
