The King in Yellow

Robert W Chambers

The King in Yellow Robert W Chambers

The supernatural stories that make up Robert W. Chambers's classic piece of weird fiction are tied together by a play that brings madness to all who read it: *The King in Yellow*. It's a book that draws readers in with an irresistible yet innocent opening act, then drives them insane with the poisonous words of Act 2. It's a book that cannot be suppressed, spreading like a disease from city to city, continent to continent. An influence on writers from H. P. Lovecraft to Neil Gaiman, *The King in Yellow* is one of the most important works of American supernatural fiction. In this dangerously unputdownable graphic-novel adaptation, I. N. J. Culbard brings to life a thrilling tale of horror that will make readers laugh and cry and tremble with fright . . . Read at your own risk.
