You probably hate giving presentations. You probably hate listening to them too. Why? Because most business presentations are too long, too detailed, too boring...and submerged under a blizzard of PowerPoint.

But the single most important presentational tool known to man isn't a slideshow. It's **you**.

Whether you're speaking to one person across a table, 20 people in a boardroom or 1,000 people in a ballroom, it's all about the words you say and how you say them.

- *The Presentation Coach* shows you how to use what you've already got to give you clarity, confidence and impact in every speaking challenge you will ever face.
- You'll learn the unique Bare Knuckle 5-step process to effective presenting, and how to apply it to all business speaking, from large-scale presentations to one-to-one client meetings.
- Graham Davies has been coaching high-profile individuals from the worlds of business, politics and entertainment in exactly these techniques for the past 25 years. **Now it's your turn.**
