The Sunbird

Wilbur Smith

The Sunbird Wilbur Smith

In Wilbur Smith's *The Sunbird*, Dr. Ben Kazin is a brilliant archeologist. Louren Sturvesant is rich, impulsive, and physically imposing, everything Ben is not. Now, the two men--friends, competitors and partners--are searching for the legendary lost city of Opet, built by an Egyptian culture that reached Africa two thousand years ago, then vanished completely.

For Ben, the expedition is a chance to prove a controversial thesis. For Louren, it is a chance to spend millions--and make it all back in gold and glory. But what awaits them is an astounding discovery, a siege of terror, and an act of betrayal that will tear the two men apart and bind them together forever...

Hidden beneath water, jungle, and blood-red cliffs is a lost world where two men and a beautiful woman were caught in a furious battle of passions two thousands years ago, but which has begun once again....

From reader reviews:

Richard Puccio:

Information is provisions for folks to get better life, information presently can get by anyone from everywhere. The information can be a know-how or any news even a problem. What people must be consider when those information which is from the former life are challenging to be find than now could be taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you receive the unstable resource then you understand it as your main information we will see huge disadvantage for you. All of those possibilities will not happen inside you if you take The Sunbird as your daily resource information.

Paul Williams:

The actual book The Sunbird has a lot associated with on it. So when you make sure to read this book you can get a lot of gain. The book was written by the very famous author. Tom makes some research previous to write this book. This book very easy to read you can find the point easily after scanning this book.

Carmen Annunziata:

Do you like reading a publication? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many query for the book? But any kind of people feel that they enjoy intended for reading. Some people likes examining, not only science book and also novel and The Sunbird or others sources were given understanding for you. After you know how the good a book, you feel need to read more and more. Science book was created for teacher or even students especially. Those books are helping them to bring their knowledge. In different case, beside science publication, any other book likes The Sunbird to make your spare time considerably more colorful. Many types of book like this one.

Kenneth Clark:

A lot of book has printed but it is unique. You can get it by net on social media. You can choose the very best book for you, science, comedy, novel, or whatever by means of searching from it. It is referred to as of book The Sunbird. You can contribute your knowledge by it. Without causing the printed book, it can add your knowledge and make you actually happier to read. It is most critical that, you must aware about publication. It can bring you from one destination to other place.
