The Superman Files

Matthew Manning

The Superman Files Matthew Manning

The Superman Files reveals the secret life of the man named Clark Kent and the world of the greatest superhero. It's a comprehensive account of his history, employing clippings from the *Daily Planet*, journal entries, surviving artifacts from Krypton, schematics for the Fortress of Solitude and other technology, files from Stryker's Island Prison, as well as hundreds of "photographs" of Superman's enemies and allies culled from modern *Superman* comics.

The Superman Files offers a complete, in-depth life story of the Man of Steel, from his birth on Krypton as Kal-El through his present, as Clark Kent and Superman, and even onward into the future.

One thousand years from now, a group of superpowered teenagers is inspired by Superman's legacy. They band together and form the Legion of Super-Heroes, a crime-fighting group dedicated to protecting the citizens of the United Planets. One of these teens is Brainiac 5, a highly intelligent descendant of Superman's arch foe, the original Brainiac.

Like many people in the 31st Century, members of the Legion idolize Superman. They frequent the Superman Museum and marvel at tales of his past. A few of them even travel back in time to Clark Kent's teenage years. They recruit him to their team, thereby jumpstarting the adventures of Superboy, the Boy of Steel.

In a future without precise records of the 21st Century, Brainiac 5 takes it upon himself to compile a tribute to his hero and friend. Collecting accounts from a myriad of sources, he compiles the universe's greatest historical record of the life and times of the Man of Steel.

The Superman Files chronicles seventy-five years of adventures in one easy-to-understand history of the Last Son of Krypton. Appealing to Superman fans of any age--from new collectors just starting out with the New 52 to longtime readers who have followed the character from his very first adventures--there is something for everyone. With a modern tone and a deep respect for his legacy, *The Superman Files* is not only entertaining, but it is also a complete and thorough history of the Man of Steel.

You can m0ore very easily to read this book from the smart phone. The price is not very costly but this book possesses high quality.

Carl Vincent:

Beside this particular The Superman Files in your phone, it could give you a way to get nearer to the new knowledge or information. The information and the knowledge you will got here is fresh in the oven so don't become worry if you feel like an previous people live in narrow community. It is good thing to have The Superman Files because this book offers to your account readable information. Do you sometimes have book but you don't get what it's exactly about. Oh come on, that will not end up to happen if you have this in the hand. The Enjoyable agreement here cannot be questionable, just like treasuring beautiful island. So do you still want to miss the idea? Find this book and also read it from today!

Stanley Torres:

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this The Superman Files can make you sense more interested to read.
