Cases and Materials on Constitutional and Administrative Law

Brian Thompson, Michael Allen

Cases and Materials on Constitutional and Administrative Law Brian Thompson, Michael Allen
Cases & Materials on Constitutional and Administrative Law is an invaluable resource for law students. Extracts from the leading cases are combined with legal, political and philosophical materials and linked together with explanatory text, alongside extensive notes and questions for discussion.

The authors take a critical look at the main doctrines of constitutional law as well as the principles of administrative law, examining the operation of the constitution in relation to Parliament, the Executive, and the citizen. Incisive commentary throughout the text provides students with a range of views on challenging issues which will stimulate thought and discussion.

The tenth edition has been fully revised and updated to reflect the latest developments in legislation, case law, and politics, including the 2010 general election. This essential text continues to provide students with instant access to an unrivalled collection of up-to-date judgments and statutory provisions; ideal for weekly reading, coursework assignments, and revision.
