Forever Young: Photographs of Bob Dylan

Douglas R. Gilbert, Dave Marsh

Forever Young: Photographs of Bob Dylan Douglas R. Gilbert, Dave Marsh

In August 1964, twenty-one-year-old photographer Douglas R. Gilbert, on assignment for *Look* magazine, photographed an up-and-coming folk singer named Bob Dylan. Just twenty-three years old, Dylan had already composed a striking body of work, including "Blowin' in the Wind," yet he himself was still relatively unknown. All that was about to change. For more than a week, Gilbert photographed a surprisingly open Bob Dylan, smiling and relaxed among friends like musician John Sebastian and poet Allen Ginsberg. To Gilbert's dismay, *Look* deemed Dylan's appearance "too scruffy" for a family magazine, and the images remained unpublished and unseen, until now. Featuring veteran music journalist Dave Marsh's insightful text, *Forever Young* unforgettably captures a pivotal time in Bob Dylan's extraordinary career--the time when he began transforming not just folk but all of popular music.
