On the night before they leave for college, Clare and Aidan only have one thing left to do: figure out whether they should stay together or break up. Over the course of twelve hours, they retrace the steps of their relationship, trying to find something in their past that might help them decide what their future should be. The night leads them to family and friends, familiar landmarks and unexpected places, hard truths and surprising revelations. But as the clock winds down and morning approaches, so does their inevitable goodbye. The question is, will it be goodbye for now or goodbye forever?

Charming, bittersweet, and full of wisdom and heart, this irresistible novel from Jennifer E. Smith, author of *The Statistical Probability of Love at First Sight*, explores the difficult choices that arise when life and love lead in different directions.
