The Villa: Sophia Giambelli has never worried about competition. For three generations, the Giambelli wines have been renowned for their quality - from Napa Valley to Italy, and throughout the world. But things are about to change at Villa Giambelli. Tereza, the matriarch, has announced a merger with the MacMillan family's winery - and Sophia will be assuming a new role, working with Tyler MacMillan. **Midnight Bayou:** Declan Fitzgerald had always been the family maverick, but even he couldn't understand his impulse to buy a dilapidated mansion on the outskirts of New Orleans. Determined to restore Manet Hall to its former splendor, Declan begins the daunting renovation room by room. Only the companionship of the alluring Angelina Simone can distract him from the mysterious happenings in the house, but Angelina too has her own surprising connection to Manet Hall - uncovering a secret that's been buried for a hundred years. **Three Fates:** When the Lusitania sank, more than one thousand people died. One passenger, however, survived to become a changed man, giving up his life as a petty thief but keeping a small silver statue that would become a family heirloom to future generations. Now, nearly a century later, that heirloom, one of a priceless, long-separated set of three, has been snatched away from the Sullivans. And Malachi, Gideon, and Rebecca Sullivan are determined to recover their great-great-grandfather's treasure, reunite the Three Fates, and make their fortune.
