I am sure there are many of you who have heard the story of my brother Mr. Fitzwilliam Darcy and his bride, Elizabeth. In fact, I'm sure there is more than just a few of you as their long courtship has become quite famous over the years since they were married. But there is far more to their story than what Elizabeth included in her memoir of their courtship and love.

There is my brother's side, of course, and all the false steps he took until he found himself in the loving arms of his darling Lizzy. And there is my story, his sister Georgiana Darcy, and the part I played in their courtship. But there is also the tale of my own seemingly impossible love for a young working man named Jason, and the obstacles we faced not only because of societies indifferences to our love, but because of my own brother's objections as well.

Warning: This story contains explicit language. Intended for 18+ readers only.
